

**4. Supervision**

Please give details of your experience of supervision as a supervisee (and as a supervisor if applicable):

---

---

---

---

---

---

---

---

**5. Training**

Please give details of any other relevant training you have completed, with approximate dates:

---

---

---

---

---

---

---

---

**6. Professional experience**

Please write a short summary of your professional experience, detailing organisation/s, company/ies etc. worked for and approximate dates.

*(You must demonstrate unequivocally that you have at least 250 hours of experience, gained from one-to-one human givens therapy sessions of an hour or so, with at least 50 different clients with a wide variety of conditions for which they have sought help. If we are in any doubt about your amount and type of experience we will arrange a one-to-one interview to discuss.)*

---

---

---

---

---

---

---

---

**7. Other professional activities**

Please give details of any other activities and interests which may be relevant:

---

---

---

---

---

---

---

---

**8. Medical history**

If you think it is relevant, please give details of any significant, or long-term, medical treatment (physical and/or mental) you have undergone:

---

---

---

---

---

---

---

**9. Additional information required to support your application:**

i) Part of the criteria for becoming an accredited HG Supervisor will involve your supervisees providing feedback on your supervision sessions. What arrangements will you be making to supervise someone (or even more than one person) between parts one and two, or after the course?

---

---

---

---

---

---

---

---

---

---

ii) Please write an evaluation in your own words of the human givens approach:

---

---

---

---

---

---

---

---

---

---

iii) Please also provide a statement of your expectations of the HG Supervision Course:

---

---

---

---

---

---

---
